RULES AND REGULATIONS

**A Perpetually Endowed Cemetery
201 E. Hermosa Drive, Artesia, New Mexico 88210
575-746-3640**

Introduction

Woodbine Cemetery is a perpetual care cemetery. This care is made possible under an arrangement whereby a portion of the purchase price realized from original sale of any plot by Woodbine Cemetery Board is placed in a Trust Fund. This Trust Fund is a guarantee of perpetual, permanent and everlasting care of the cemetery. The monies deposited in this fund are expended for the specified purpose by the Woodbine Cemetery Board whose members are appointed by the Mayor and confirmed by the City Council of Artesia, New Mexico.

Certain rules and regulations are necessary for the protection of the lot owners, and to give the assurance that nothing of any unsightly or objectionable nature can ever be placed on plots adjacent to their own.

These rules and regulations are designed for the protection of owners of interment rights as a group. Their enforcement will help protect the Cemetery and create and preserve its beauty. The following rules and regulations are hereby adopted by Woodbine Cemetery Board as the rules and regulations of the Woodbine Cemetery, hereinafter, referred to as the Cemetery, and all owners of lots, all visitors and those performing work within the Cemetery, shall be subject to said rules and regulations, amendments or alterations as shall be adopted from time to time.

These rules and regulations were passed, adopted, and approved by the Artesia City Council as Resolution 1500 effective the 11th day of June 2013 and shall supersede any other rules and regulations adopted by the city concerning the regulation of the cemetery. Amendments to the rules and regulations have been passed, adopted, and approved by the Artesia City Council as:

Resolution 1707 passed by the Artesia City Council effective July 9, 2019 amends Section G5 Interments and Disinterment's—The number of cremains per grave space.

Resolution 1779 passed by the Artesia City Council effective February 8, 2022 to adjoin the Inurnment Rights and Regulations for the use of the Columbarium and the addition of the Columbarium fees to the Woodbine Cemetery Schedule of Fees.

Persons in violation of these Rules and Regulations are subject to a fine of not more than three hundred dollars (\$300) or imprisonment for not more than (90) days or both a fine and imprisonment. (Section 3-6-7, Artesia Municipal Code).

THE FOLLOWING REGULATIONS WERE ADJOINED TO THE WOODBINE CEMETERY RULES AND REGULATIONS AS SET FORTH BY THE CITY OF ARTESIA RESOLUTION 1779 FOR THE OPERATIONS AND SERVICES OF THE COLUMBARIUM INURNMENT RIGHTS AND REGULATIONS:

L. COLUMBARIUM

The Columbarium of Woodbine Cemetery was created for the inurnment of the cremated remains of deceased persons. This Contract and Operating Rules are designed to assure that the procedures to be followed in inurnments are carried out in compliance therewith. Inurnment in the columbarium is not based on residency in the City of Artesia. Anyone is welcome to use the columbarium as a final resting place.

General Information

Woodbine Cemetery is the owner of and is responsible for the maintenance and reservation of columbarium niches. Woodbine will establish and maintain all records regarding the columbarium. These records will include name and current address of those who have reserved a niche, niche locations, availability, copies of Certificates of Inurnment Rights, Certificates of Cremations, and Columbarium Rules and Regulations.

A columbarium niche is for the Inurnment of human cremains only. Deceased pets, valuables, flowers, mementoes, etc. will not be allowed in a niche. Niche openings can only be performed by Woodbine Cemetery employees. Anyone, other than a Woodbine Cemetery employee, who attempts to open a niche, will be prosecuted under local or state laws. Any acts of vandalism will also be prosecuted under local or state laws.

Woodbine Cemetery will be responsible for reasonable repairs to the columbarium. The City of Artesia, Woodbine Cemetery, and the Woodbine Cemetery Board will take all reasonable care to ensure the safety of interred cremains. However, none of the above agencies will be held responsible for the loss or destruction of interred cremains due to vandalism, acts of nature, leaving the cremains in a temporary urn, or any other unforeseen circumstances.

Regulations and Contract

1. Niches:

Double niches- A double niche is 12" high x 12" wide x 16" depth. Woodbine Cemetery will allow up to two cremation urns per double niche as long as the total dimensions of both urns does not exceed 10 ³/₄ " wide x 6 ¹/₂ " deep x 11 ³/₈ " high. It is recommended that both urns be purchased at the same time to ensure a proper fit. If the niche is to be used by one, double cremains urn, the urn cannot exceed 10 ³/₄ " wide x 6 ¹/₂ " deep x 11 ³/₈ " high. For either size niche, leaving the cremains in the urn sent by the crematorium is allowed as long as it meets the above size requirements. A standard crematorium urn is 6 ¹/₄ " L x 4 ¹/₄ " W x 8 ¹/₄ " H. However, be aware that these containers are considered temporary containers. Woodbine Cemetery will not be held responsible for damage to or loss of any cremains that are left or inured in temporary containers.

2. Niche Reservations:

Upon payment in full, a Certificate of Inurnment Rights with the location of the reserved niche will be given to the person or persons who purchases the rights to the niche (hereby known as the *Buyer(s)*). This shall serve as the *Buyer(s)* proof of payment. The *Buyer(s)* will also receive a copy of the Columbarium Rules and Regulations.

The holder of a Certificate of Inurnment Rights acquires no property rights within the City of Artesia columbarium property or any of its niches. Legal title to the columbarium and niches shall always remain with and in the name of the City. The Certificate of Inurnment Rights attests only to the right to inter the cremains of the person(s) named on the Certificate of Inurnment Rights in the specific niche pursuant to Columbarium Rules & Regulations, as amended from time to time. In the event of a discrepancy between the Certificate of Inurnment Rights and the administrative records, maintained by Woodbine Cemetery, the latter shall take precedence. Inurnment Rights for a niche can only be made through Woodbine Cemetery. A niche must be paid in full before an inurnment can take place. There will be no exceptions to this rule.

Woodbine Cemetery will not buy back a niche from a *Buyer(s)* once it is purchased. A niche reservation cannot be transferred or sold without first notifying and obtaining the written consent of the Woodbine Cemetery office. A new Certificate of Inurnment Rights in the name of the new *Buyer(s)* must be written before any niche transfer shall be operative.

3. Inurnment:

Inurnment arrangements must be made by the *Buyer(s)* or the *Buyer's* family. This can be done through a funeral home or by contacting the Woodbine Cemetery office directly. A copy of the Certificate of Cremation must accompany the cremains. Any permits for inurnment required by local or state laws must be secured and furnished to the Cemetery by the Contract Holder prior to inurnment. If arrangements are handled through a funeral home, a Certificate of Burial must be filled out by the funeral director and accompany the cremains. Any funeral home costs are the responsibility of the Contract Holder or the Contract Holder's family, heirs or successors. An opening and closing fee will be assessed at the time of the opening at the current rate. No inurnment or engraved inscription permitted unless Niche reservation is paid for.

4. Engraving of Niche Shutter Cover:

The cost of engraving is the responsibility of the Contract Holder or the family. To maintain the columbarium in a uniform manner, only one font pattern is allowed for engraving on all niche covers. Licensed Monument companies will do the engraving for the shutter covers and are the only companies allowed to engrave niche covers. Engraving of the niche cover is allowed before the Inurnment of cremains. If the cover must be removed to be engraved, a replacement cover will be installed by Woodbine Cemetery, at no cost, and removed when the engraved cover is returned. This may be arranged with Monument Companies by the *Buyer(s)* or family. Engraving of artwork is allowed on niche covers. Small repairs to the niche cover, such as nicks and scratches, will be repaired by Woodbine Cemetery, if possible. If a niche cover, which covers two niches, is damaged to the point of needing replacement, the cemetery will replace the cover only. The cost of re-engraving the cover

will be the responsibility at all times of the two niche owners or the families. If the Niche shutter cover is done in error due to incorrect information provided by the requestor, correction will be made at the expense of requestor.

5. Flowers and Wreaths:

No flower arrangements, plants, wreaths, toys, or mementos will be allowed to be placed in or near the columbarium, at any time, except at the time of Inurnment. For the Memorial Day weekend, mementos will be allowed for up to a period of five days, but they will be removed after the fifth day. One flower arrangement, potted plant, or wreath will be allowed next to the columbarium, near the niche, on the day of Inurnment. That will be removed five days later, or as soon as the schedule permits, by Woodbine Cemetery employees, unless removed by the family prior that time. No planting of flowers, bushes, trees, etc. are allowed in or near the columbarium.

6. Removal of the Columbarium:

In the event, that the Columbarium requires repairs to maintain its integrity, the Contract Holder agrees that the City may temporarily remove the cremains until such repairs are completed. Once repairs be completed the cremains will be thereafter returned to the proper niche by Woodbine Cemetery.

7. Removal of the Inurned Cremains:

No dis-inurnment of cremains in the Columbarium will be permitted except upon written order of both the recorded inurnment rights holder and the appropriate heirs of the person whose cremains are the be moved, or upon order of a competent jurisdiction and except upon full compliance with all applicable federal, state, and local laws and the rules and Regulations of Woodbine Cemetery. All requests for the authority to dis-urn cremains will be submitted on the Woodbine Cemetery form, *Affidavit Concerning Disinterment*. An opening and closing fee will be assessed at the time of the opening at the current rate. The cost of a vacated niche will not be refunded at any time to the *Buyer or the Buyer's* family, heirs, or successors.

8. Transfer or Assignment rights:

The Inurnment Rights to the niche can be transferred or assigned in writing to another party, but Woodbine Cemetery must be promptly informed of the transfer so a new Certificate may be issued. If the vacated niche's cover has already been engraved, the cost of replacement is not the responsibility of Woodbine Cemetery, the Cemetery Board, or the City of Artesia. **Note:** One niche face panel covers a double niche. If the cover of the transferred or assigned niche has engraving on the second face, and provided the new owner wants the niche face of his/her niche to be replaced with new engraving, both faces must be re-engraved. The cost of engraving both niche faces will be the responsibility of the Contract Holder. A transfer fee will be charged according to the current Schedule of Fees charges.

9. Conduct of persons within the Columbarium:

The Columbarium is considered a part of the Woodbine Cemetery and all persons entering the site of the Columbarium are expected to conduct themselves in a peaceful and orderly manner and in accordance with all cemetery rules and regulations.

10. Protection against Loss:

The Woodbine Cemetery may carry such insurance for its own benefit upon the Columbarium and contents as it may determine; however, there is no obligation upon the Cemetery or the Cemetery Board to provide any insurance for the benefit of the Contract Holders, their heirs or other representative. Neither the City of Artesia, the Woodbine Cemetery, cemetery board, council, agents, employees nor representatives shall be liable for damage to or loss of inurned remains. The Cemetery shall take reasonable precautions to protect within the Columbarium the interests of the Contract Holder; but the Cemetery distinctly shall not be responsible for loss or damage from causes beyond its control, including damages caused by the elements, an Act of God, common enemy, thieves, vandals, strikers, malicious mischief makers, flood, fire, explosions, unavoidable accidents, invasions, insurrections, riots, civil commotion or order of any civil or military authority, whether the damage be direct or collateral to the Contract Holder. By acceptance of a Niche in accordance with the rules and regulations, The Contract Holder additionally forever releases and holds harmless the Cemetery and all other persons identified above in this Agreement from any claims, demands, liability and causes of action by reason of the City's administration, maintenance, conversion, conveyance or alienation of any Niche.

11. Change in Address of Inurnment Right Owner:

It shall be the duty of Contract Holder of record, or the heirs, devisees, executors, or administrators of the Contract Holder, to notify the Cemetery in writing of any change of address relevant to appropriate communications pertaining to such rights or to the Niche covered thereby.

12. Severability: If any provision hereof shall be held by duly constituted authorities to be invalid in whole or in part the Agreement shall, nevertheless, except only to the extent of such partial invalidity, remain in force and be valid and effective.
