

The intersection of Grand Ave./26th St. will be closed beginning March 25th as part of the Hermosa Dr. Reconstruction Project. Construction crews will be replacing/relocating utilities and reconstructing the roadway in this intersection. The intersection is expected to be closed for 2-3 months. The diagram below shows the project location and alternate routes (shaded) that motorists are encouraged to use in order to avoid construction. Please exercise caution when driving in the vicinity of the project. Thank you.

Owner: City of Artesia
Contractor: Constructors, Inc.
Engineer: Smith Engineering
